## PAPERS

---

We take a lot of care in choosing the papers we print on. We want your stationery to look and feel lovely, but understand that everyone is different, we print on a selection of 4 papers - Smooth White, Recycled (off white), Kraft (Brown Recycled & Shimmer (Metallic). All the invites come with matching envelopes except for the Recycled (off white), for these we supply kraft envelopes. We are proud to be an Australian company and use local printers to produce our product.

### COLOURS

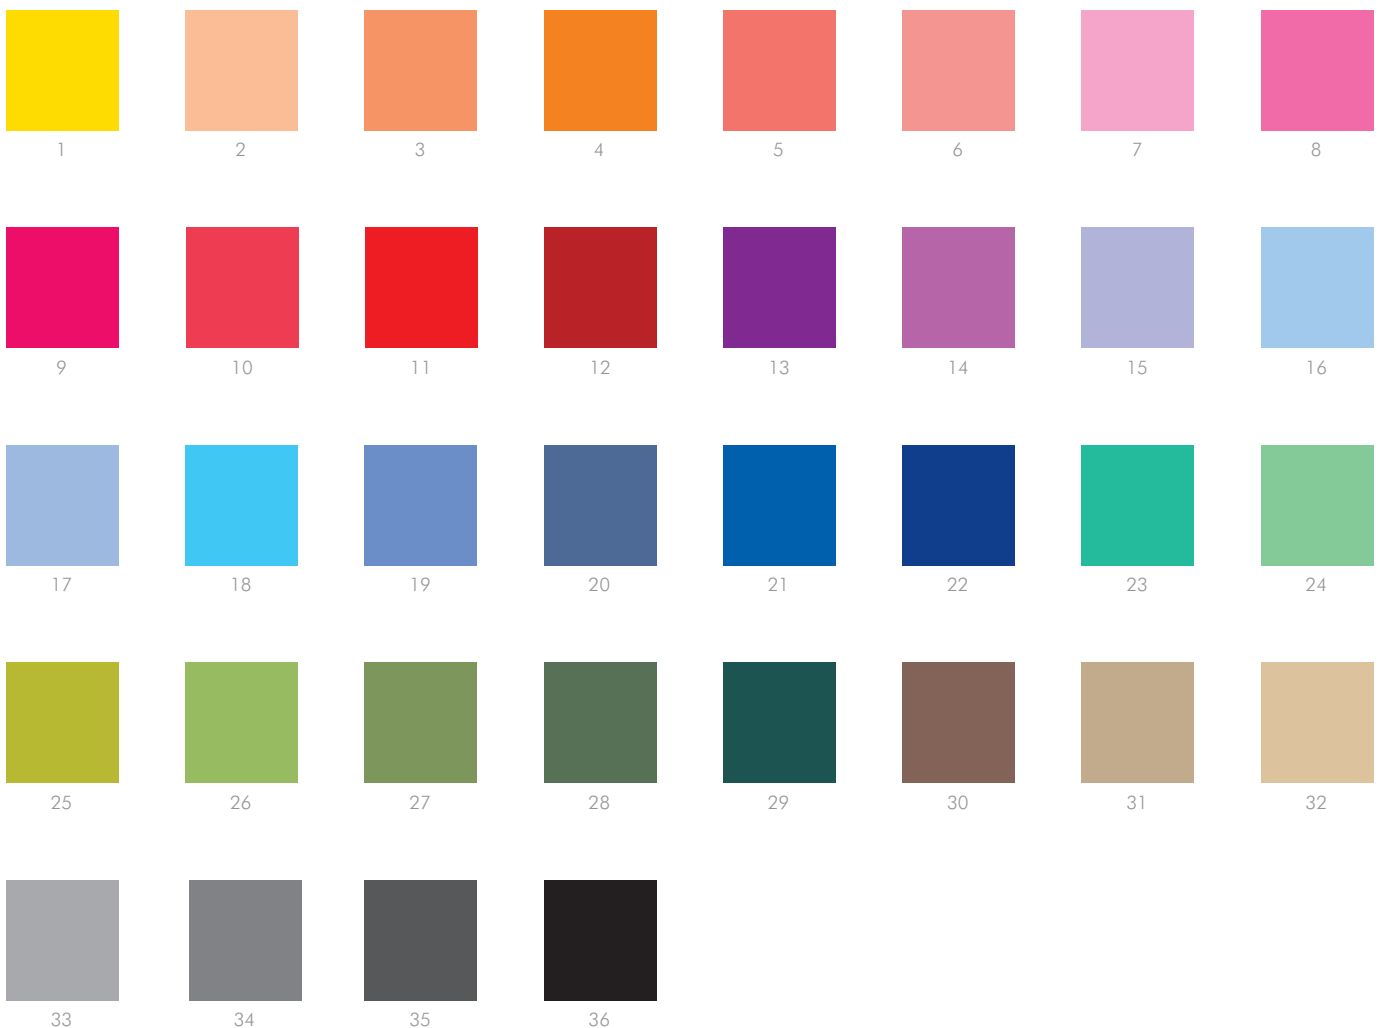

---

We have carefully selected some colours we like to print with. If you have a colour in mind you can send us a pick & we will get as close a possible to it, but please bear in mind this is a digital process so it will never be an exact match, especially not when compared to a shiny fabric.

Please also bear in mind that computer screens are calibrated differently to printers & I can't guarantee the colour you see is the exact colour we print, to save any unwanted surprises you can email me & I'll send out a small card with our colour swatches or even a sample of the invitation in the colour you have chosen.

There are a couple of my invitations that the illustrations cant be changed, on the range page they are marked with a white dot on the picture. All the others anything can be changed.

Text will always be clearer & look nicer in a dark font, we recommend that the body font be a dark grey/charcoal or black because this is generally the smaller font & the bride & groom & guests be printed in a highlight colour. Or using colour in the graphics & leaving the text dark.

## HOW IT WORKS

---

---

## ORDERING & PROCESS

---

You've purchased online and now you're ready to go ahead. Awesome, I'll need you to supply me with the exact wording you would like on the invitations & other pieces (see pages 9 & 10 for examples). If you're having guests names printed onto the invites or address stickers I'll need an excel document set up as below. (Don't worry about formatting anything for me, but please use the column titles & type the text exactly as you want it to appear (e.g. Ashely and Troy or Ashley & Troy)).

	A	B	C	D	E
1	Names on Invitations	Names on Envelopes	Postal Address	Suburb, State, P/code	Country (If required)
2	Ashley & Troy	Ashley Lindsay & Troy Hudson	284 Faber Lane	Castell, Vic, 3026	Australia
3	Kirsten, Chris, Alice, Amy & Milla	Kirsten, Chris, Alice, Amy & Milla	PO Box 564	Somerville, Vic, 2658	Australia
4	Adam, Nicole, Kalan, Kobe & Taya	Mr & Mrs Donovan	123 Daily Place	Parkdale, Vic 5689	

Once I've received all the information I'll send you a .pdf proof of all the pieces, this is for you to check over, because of the nature of the content we are printing I don't run a spell check because it will throw up most of a document as being spelt incorrectly, so it's up to you to proof all the text.

If you have any changes I'll make them & send you a new proof to check over, you can make up to 4 rounds of changes to the file before an extra fee is incurred. You'll also receive a sign off sheet, this is an interactive .pdf to be filled in once you are happy to go to print. No order goes to print without you signing off first. If at this stage we still haven't received payment of the invoice nothing will go to print until the amount has been paid.

(We accept payment via bank transfer or Pay Pal for credit cards).

I need a minimum of 30 days to fill your order, this includes .pdf proofs the whole way until you're ready to go to print. Once signing off you will receive your stationery within 2 weeks. We ship express within Australia using Australia Post and will package your goods very carefully to ensure they arrive safely.

---

## REFUNDS

---

We don't accept returns on approved artwork for any reason. When approving & signing off on the final proof you accept responsibility for the information & layout as shown. If errors such as incorrectly spelt words are discovered after the goods have been approved & or printed, we charge an additional fee for a reprint. If the design process has begun but we have not gone to print, your payment will be refunded with a percentage forfeited to reflect the time already spent on design.

---

## PRIVACY

---

Your business is nobody else's business. We consider your privacy very important and will not distribute any of your personal details to any third parties.

## COPYRIGHT

---

All artwork is owned & reserved by Coochuu Designs and is protected by copyright law. No part of our Designs may be reproduced in whole or part without prior consent from Coochuu Designs. Coochuu Designs reserve the right to reproduce any stationery for promotional purposes or as part of their range. ## ETIQUETTE & EXAMPLES

---

Save the dates are sent out 12 months before your wedding date, to allow guests enough time to make travel plans. Invitations are usually sent out 6 - 8 weeks before the wedding but bear in mind that I send you all the pieces but you put each parcel together which can take a little bit of time.

WISHING WELL SUGGESTIONS

---

Now we are to be Mr & Mrs  
We don't need a wedding list of dishes  
We have two kettles, two toasters, a microwave  
We require a house for which we have to save.  
If you would like to give us a monetary gift  
This would give us a lift  
We like to think of it as our "wishing well"  
Which will be filled with your love, we can tell.

---

Our two families have come together as one.  
We really hope you can join in the fun.  
A wishing well we thought would be great,  
but only if you wish to participate.  
A gift of money is placed in the well,  
then make a special wish, but do not tell!  
Please do not be offended by our request,  
as our day is complete having you as a guest.

---

If finding a gift is hard to do,  
Perhaps our wishing well is for you.  
A gift of money is placed in the well.  
Then make a wish... but do not tell.  
If, however, a gift you'd prefer to find.  
Be assured we will not mind.
